

# Certificate

The Information Management System of

## EcoVadis SAS

43/47 Avenue de la Grande Armée, 75116 Paris, France

with the sites according to the annex, complies to and is being applied in conformity with the requirements of:

### ISO/IEC 27001:2013

The certificate is valid for:

The Information Security Management System governing the development, operation and supporting processes of the online collaborative platforms allowing companies to assess and monitor the non-financial performance of their partners, customers and/or suppliers:

- CyberVadis solution for business cybersecurity ratings
- EcoVadis platform for business sustainability ratings

The scope includes all the systems that hold or process customer data, and employees with access to these systems.

The selection of controls has been described in the Statement of Applicability with reference: StatementOfApplicability\_V8\_07192019 dated 7 July 2019.

This certificate is based on the report with reference KVD6PWMQ2FFT-2017446796-31 and has been issued on 30 August 2019 and will be valid until 30 August 2022.

The management system is subject to annual surveillance audits during the duration of validity of the certificate.

S.M. Keijl RA CISA, Statutory Director  
PricewaterhouseCoopers Certification B.V.  
Amsterdam, 30 August 2019

This certificate was issued electronically and remains the property of PricewaterhouseCoopers Certification B.V. and is bound by the conditions of the certification agreement. See <http://www.pwc.nl/nl/pwc-certification> for background and limitations of this certificate. This certificate relates to the information security management system, and not to the products or services of the certified organisation. The certificate reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotion material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate. The certificate does not of itself confer immunity on the certified organisation from legal obligations.
